Mr. Carl Acteau
Serie-Act Peinture
1984 rue Setlakwe
Theftford-Mines, QC G6G 8B2

Dear Mr. Carl Acteau,

Congratulations!

TIGER Drylac Canada, Inc. is pleased and proud to present you with the enclosed "**APPROVED APPLICATOR CERTIFICATE**" for Series 58 and 75 High Performance Architectural Powder Coatings.

The Approved Applicator status enables you to offer to your customers TIGER Drylac's exclusive **Series 58 and Series 75 Architectural Powder Coatings** with the following:

- **Up to 25 years** limited exhibit warranty for components manufactured from aluminum substrates and coated with Series 58 Super Durable Polyester-based powder coatings. **Series 58 meets AAMA 2604-05 standards.**
- **Up to 30 years** limited warranty to approved applicators in good standing, when proper documentation is provided to TIGER Drylac Canada, Inc., for components manufactured from aluminum substrates and coated with Series 75 Fluoropolymer-based powder coatings. **Series 75 meets AAMA 2605-05 standards.**

Your company will be listed in the **Approved Applicator** section of TIGER's TAS (TIGER Architectural Service) website (www.tigerarchitectural.com) as well as in the TAS binder, which is distributed to Architects, Specifiers and other related companies in the architectural industry.

Should you have further questions regarding your certification or related to sales inquiries, please feel free to contact your local sales representative or myself. We look forward to continuing and expanding our business relationship with you in the future.

Sincerely,

Manny Mayer
